INTERMEDIATE CALENDERED VINYL W/POLYESTER OVERLAMINATE

DECALS / FLAT SURFACE GRAPHIC FILM

RECOMMENDED FOR

- ✓ Exceptional value for flat surface applications requiring glossy colors and durability
- ✓ 100% opacity, completely covers underlying surface

WATCH OUT

- ✗ Not intended for long-term outdoor (>3 years)
- ✗ Stiffer and less expensive than cast vinyl with a slight tendency to shrink or pull back
- ✗ Flat applications only, not intended for compound curves
